

SATISFACTION SURVEY 2024

At St Stephen's School we value feedback from our community; it helps to ensure the School upholds our core values of Faith, Learning, Service, Care and Community.

Every year we ask our parents, students and staff to complete a short survey covering questions related to wellbeing, academic programs, school infrastructure, community engagement and overall school satisfaction. In 2024 we are delighted to see that parents (92%) and students (91%) *agree that students feel safe at St Stephen's School.*
